

## **Impactship Program For 2022 Membership**

Do you want to have an impact on your community but hesitate because of the financial commitment? We realize \$1,000 is a 'stop and think' gift. For many of our members, \$1,000 represents sacrifice and intentional budgeting to make a charitable gift of this size. The *Impactship* program is designed with this in mind.

Impact100 Wichita Falls is looking for *Impactship* candidates who have expressed a keen interest in the organization, are prepared to assume active roles within the organization, and are interested in ongoing membership. A limited number of full or partial memberships will be designated to prospective members each year dependent on available funding and the quantity and quality of applicants. We highly encourage applications from individuals who identify with one or more minoritized/marginalized identities or historically underrepresented identity groups.

The goal for each member of Impact100 Wichita Falls is to feel connected to her giving and to the transformational grants that are a result of her gift. For this reason, we expect *Impactship* members to:

- Commit to a smaller financial gift initially, scaffolding financial gifts over a 2 year period to fully fund an ongoing membership at \$1,000 in year 3. Please know year 1 is a fully funded *Impactship*; however, commitment for giving in year 2 is expected to begin in year 1. Year 2 is a half-funded *Impactship*; however, commitment for giving in year 3 is expected to begin in year 2. Financial scaffolding and commitment is described below:

Impactship Membership Year 1(2022)	Impactship Membership Year 2(2023)	Membership Year 3(2024)
\$42.66 monthly starting January 1, 2022 - December 31, 2022 to commit for 2023 membership	\$90.90 monthly starting January 1, 2023 - December 31 2022 to commit for 2024 membership	Installments at your discretion to commit for 2025 membership

- Share our message, recruit new members, and engage with current members at events
- Actively participate on a Focus Area Committee and vote at the annual meeting in June

*Impactship* membership is conferred with the same rights, privileges, and expectations as any Impact membership and spans the membership year (January 1 through December 31).

*Impactship* applications for the 2022 membership cycle should be submitted on/before **Monday, December 6, 2021**. The application is available online at: <https://bit.ly/3G4Vgm0>

The selection committee will review application requests based on five key attributes:

(1) Interest to join; (2) Skills/expertise offered to the organization; (3) Statement of need; (4) Barriers to participation; and (5) Under-represented demographic (to expand the organization's reach).

All applicants will be notified of *Impactship* decisions on/before **December 31, 2021**

The selection committee will keep *Impactship* recipients confidential to ensure all recipients experience equal engagement as their Impact peers. Recipients are asked to keep their *Impactship* status private and confidential.
